Durham police investigators are asking for information about a robbery that was reported early Friday on Mangum Street near East Chapel Hill Street.

The suspect hit the victim on the back of his head with the gun and knocked him to the ground. The two males struggled with each other while the female took cash from the victim's pockets. The suspects were last seen running on Orange Street toward Parrish Street.

The victim was taken to the hospital for treatment.

The suspect with the gun was described as a black male in his late 20s or early 30s, 5 feet 11 inches tall with a mustache and goatee. He was dressed in black clothing. The second suspect was described as a Hispanic female, approximately 20 years old and dressed in black clothing.
